

BREAK TOO

one day - I'll break - I'll break in two
won't you - ever - won't you never
won't you break too

so here I am
living at the bottom of an ocean of air
I can't see - cannot be seen
here I am
wondering what's the table hiding
I can't see - cannot be seen
here I am

am I finding or is this seeking
am I hidden or is this hiding
am I finding or is this seeking
am I hidden or is this hiding

twice one-legged	twice one-eyed	twice one-armed
	by all means	
twice one-legged	twice one-eyed	twice one-armed
	by all means	

...

one day - I'll break - I'll break in two
won't you - ever - won't you never
won't you break too

so here I am
got my hands with me I'm shaking
here I am
love you - got a head-ache
here I am

am I finding or is this seeking
am I hidden or is this hiding
am I finding or is this seeking
am I hidden or is this hiding

twice one-legged	twice one-eyed	twice one-armed
	by all means	
twice one-legged	twice one-eyed	twice one-armed
	by all means
