

Thursday 12th

I was born on a Thursday
I bought a bike on a Thursday
My man left me on a Thursday
The sun shines sometimes on a Thursday
I got pregnant on a Thursday
I became an orphan on a Thursday

Burn me, bury me
Do what you want with me
But please, don't do it on a Thursday

I don't like fish on a Thursday
My doggy dog died on a Thursday
We got married on a Thursday
I once chewed a gum on a Thursday
I fell in love on a Thursday
My twins died on a Thursday

Burn me, bury me
Do what you want with me
But please, don't do it on a Thursday
